Class: Intro to Psychology 100, undergraduate level, department of psychology.
Duties: Held office hours for students, graded assignments and exams, and invigilate exams.

Research Positions

- 09/2022 - Present **Primary Collaborator** – *Gold Standard Forensics, LLC in collaboration with UNM and Winthrop University*
Topic of Research: Updating the Manual for the Competence Assessment for Standing Trial for Defendants with Intellectual Disability (CAST*ID; formally CAST*MR).
Co-collaborators: Caroline Everington Hasselle, Ph.D.; Ann Delpha, J.D.; Sara Millspaugh, Ph.D.; Julie Brovko, Ph.D.; and Jim Ellis, J.D.
- 06/2014 – 01/2015 **Post-Doctoral Fellow in Forensic Neuroscience** – *Mind Research Network*
Topic of Research: Psychopathy, serious mental illness, and trauma. Using fMRI-imaging data analysis to examine the relationship between different areas of the brain and the above-mentioned topics of research within prison and forensic psychiatric populations.
Duties: Grant applications, data analysis, publication preparation and submission, assessment of inmate participants on multiple clinical measures for data collection.
Supervisor: Kent Kiehl, Ph.D.
- 01/2014 – 01/2015 **Article Summary Writer** – *Global Institute of Forensic Research*
Duties: Summarize and provide relevant legal questions on 3-5 articles a month

on the topic of violence risk assessment for the *Alliance for International Risk Research (AIRR) Executive Bulletin*.

Supervisor: Jay Singh, Ph.D.

09/2011 – 12/2014 **Primary Investigator/Project Manager** - *Simon Fraser University, Burnaby, BC*

Topic of Research: Evaluating field reliability of Short-term Assessment of Risk and Treatability (START, Webster et al. 2009)

Duties: Research proposal writing; grant writing; Research Ethics Board application; data collection; data analysis; preparing conference submissions; conference presentation; manuscript preparation.

Supervisor: Tonia Nicholls, Ph.D.

09/2011 – 12/2014 **Co-Primary Investigator** - *Simon Fraser University, Burnaby, BC*

Topic of Research: Cluster B personality disorder measurements. Specifically, development and validation of the Comprehensive Assessment of Borderline Personality (CABP); evaluation of Comprehensive Assessment of Psychopathic Personality (CAPP); Evaluation of self-report measures of Psychopathic Personality and Borderline Personality.

Duties: Research proposal writing; grant writing; research ethics board application; creating online questionnaires using remark; data collection; data analysis; preparing conference submissions; conference presentation; manuscript preparation.

Supervisor: Stephen Hart, Ph.D.

09/2009 – 04/2013 **Research Assistant** - *University of British Columbia, Vancouver, BC*

Topics of Research: Deinstitutionalization of Chronic Severe Mentally Ill Patients; Evaluating the Redevelopment of BC's Tertiary Care Facility; Evaluating Strength Based Violence Risk Assessments (i.e. Short-term Assessment of Risk and Treatability and Structured Assessment of Protective Factors for violence risk); Investigating Successful Community Reintegration Forensic Patients; Examining gender differences in Resilience and Successful Community Reintegration in Forensic Patients.

Duties: Data collection using clinical interview; data analysis; preparing conference submissions; conference presentation.

Supervisor: Tonia Nicholls, Ph.D.

04/2010 – 07/2010 **Research Assistant** - *Simon Fraser University, Burnaby, BC*

Topic of Research: Violence Risk assessment and community reintegration of Civil Psychiatric Patients

Duties: Data collection using clinical interview.

Supervisor: Kevin Douglas Ph.D.

09/2007 -02/2008 **Research Assistant** - *Maastricht University, Maastricht, NL*

Topic of Research: Treatment of depression in clinical settings

Duties: Data preparation.

Supervisors: Marcus Huibers PhD. and Frenk Peeters PhD.

09/2006-04/2007 **Research Assistant** - *University of British Columbia, Vancouver, BC*

Topic of Research: Memory, Emotion, Thought and Awareness. Study looking at pre-

cognition.

Type of Experience: responsible for running subjects. Trained in using EEG equipment to look at physiological components of attention fixation.

Supervisor: Jonathan Schooler PhD

09/2006-04/2007 **Research Assistant - University of British Columbia, Vancouver, BC**

Topic of Research: Determinant of risky sexual behavior, sexual arousal regulation and sexual compulsivity.

Duties: Subject recruitment, data collection; data analysis; conference submission; conference presentation. Also trained on data analysis and use of Penile Plethysmograph.

Supervisor: Boris Gorzalka PhD.

09/2006-04/2007 **Research Assistant - University of British Columbia, Vancouver, BC**

Topic of Research: Looking at characteristics of offender's memory for violence.

Duties: Research proposal writing; transcription of confidential interviews with convicted felons; trained in Content Based Criterion Analysis (CBCA) to code transcribed interviews on credibility; lab manager; data analysis; conference submission.

Supervisor: John Yuille PhD.

Trainings/Workshops Provided

- 11/02/2023 **Intellectual Disability (ID) and Competency to Stand Trial Evaluations, Tacoma, WA**
 Provided a half day training to Washington state forensic evaluators on evaluating competency to stand trial with individuals with intellectual disability for the Office of Forensic Mental Health Services.
Trainers: Simone Viljoen Ph.D. & Julie M. Brovko, Ph.D.
- 07/20/2023 **Anxiety Disorders, Albuquerque NM**
 Training on the diagnosis and management of individuals with Anxiety disorders. Presented as part of a monthly series of “lunch and learn” trainings for the United States Probation office.
Trainers: Simone Viljoen Ph.D.
- 03/15/2023 **Intellectual Disability (ID) and Competency to Stand Trial Evaluations, Philadelphia, PA**
 Pre-Conference workshop provided at the American Psychology–Law Society conference on evaluating competency to stand trial with individuals with intellectual disability.
Trainers: Sara B. Millspaugh, Ph.D, Ann M. Delpha, J.D., Simone Viljoen Ph.D. & Julie M. Brovko, Ph.D.
- 01/25/2023 **Delusions vs (Extreme) Overvalued Ideas/Beliefs, Albuquerque NM**
 Training on the diagnosis and management of individuals with delusional beliefs and (Extreme) Overvalued Ideas. Presented as part of a monthly series of “lunch and learn” trainings for the United States Probation office.
Trainers: Simone Viljoen Ph.D.
- 11/17/21 & 11/19/21 **Joint Public Defender and District Attorney Competency Training, Taos, NM.**
 This training provided an overview of multiple competency related items to include: Overview of competency, Components of a competency evaluation, Malingering, a Mock competency proceeding, and Next steps after a determination of competency. Training also included an

opportunity for discussion with members of the judiciary, seasoned attorneys and forensic evaluation experts.

Trainers: Simone Viljoen Ph.D. & Julie Brovko Ph.D.,

10/14/21

The Difficult Ones: Personality Disorders, Competency and Other Matters of the Mind. Via Zoom.

CLE presentation to the federal public defender and contract federal attorneys on working with defendants with borderline personality disorder and antisocial personality disorder and competency to stand trial.

Trainers: Simone Viljoen Ph.D., Julie Brovko Ph.D., Kari Converse JD

09/08/21

The Difficult Ones: Working with individuals who exhibit traits of borderline personality disorder and antisocial personality disorder. In person and via Zoom.

Training for the Federal Probation Office in Albuquerque, NM on working with defendants with borderline personality disorder and antisocial personality disorder.

Trainers: Simone Viljoen Ph.D. & Julie Brovko Ph.D.

02/25/21

Childhood Trauma and Personality Disorders. Via Zoom.

CLE presentation to the Federal Public Defender's office for the District of New Mexico on complex trauma, the development of personality disorders, evidenced based treatment, and legal implications of personality diagnosis.

Trainer: Simone Viljoen Ph.D.

07/23/20

The effect of Technology on Juvenile Development and Court Engagement. Center for Children, law & Police at the University of Houston Law Center and the Southwest Juvenile Defender Center. Via Zoom.

CLE presentation on the impact of technology on adolescent development and the efficacy of mental health and legal service delivery through videoconferencing.

Trainers: Simone Viljoen Ph.D. & Kameron Johnson J.D.

11/02/19

Violence: Who, What, When, and Why. Exploring the Individual and Contextual Causes of Violence. New Mexico Psychological Association Saturday Forum, Albuquerque, NM.

Provided a half-day workshop for mental health professionals on the nature and correlates of violence, and explained current models of violence risk assessment and management.

Trainer: Simone Viljoen Ph.D.

09/10/19

Marijuana Use in the Juvenile Justice System Estes Park, CO.

This session explored the impact of normative and abnormal adolescent development on juvenile justice proceedings with an emphasis on the impact of marijuana on adolescent development.

Trainer: Simone Viljoen Ph.D.

07/12/19

Using the Structured Assessment for Protective Factors for Violence Risk (SAPROF), Webinar Presentation

Provided a half-day workshop on using the Structured Assessment for Protective Factors for Violence Risk (SAPROF) for The Postdoctoral Fellowship Committee seminar Series.

Trainer: Simone Viljoen Ph.D.

04/26/19

Trends in marijuana use among adolescent populations and the effect on brain and psychological development. Plenary session for the 7th annual excellence in juvenile defense conference, Denver, CO.

Presented data for rates of marijuana use among youth populations and explored long-term biopsychosocial effects of marijuana use.

Trainers: Simone Viljoen Ph.D. & Jack Reed

- 10/25/18 **Competency to Stand Trial Evaluation Basics NM HSD Contract Forensic Evaluator Training, Santa Fe, NM.**
Provided training on competency to stand trial evaluation and restoration and legislature for New Mexico state.
Trainer: Simone Viljoen Ph.D.
- 9/28/18 **Where are the Borders of Borderline Personality Disorder? New Mexico Psychological Association Friday Forum, Albuquerque, NM.**
Provided a half-day workshop for mental health professionals on differential diagnostic issues of cluster B personality disorders, with a focus on gender bias.
Trainer: Simone Viljoen Ph.D.
- 6/28/18 **Understanding Kids in Court: Adolescent Development and the Juvenile Justice System, Santa Clara Pueblo, NM**
Workshop provided as part of the Juvenile Justice Advocacy for Tribal Courts and Communities training. This session explored the impact of normative and abnormal adolescent development on juvenile justice proceedings. Additionally, the need for evaluations of justice involved youth was discussed, with a particular focus on competency to stand trial evaluations.
Trainer: Simone Viljoen Ph.D.
- 6/29/18 **Understanding Kids in Court: Adolescent Development and the Juvenile Justice System, Pueblo of Isleta, NM**
Provided a workshop on the impact of normative and abnormal adolescent Workshop provided as part of the Juvenile Justice Advocacy for Tribal Courts and Communities training. This session explored the impact of normative and abnormal adolescent development on juvenile justice proceedings. Additionally, the need for evaluations of justice involved youth was discussed, with a particular focus on competency to stand trial evaluations.
Trainer: Simone Viljoen Ph.D.
- 09/17-04/18 **Forensic Assessment Seminar, Western State Hospital, Lakewood, WA**
Provide bi-monthly seminar training the current interns on the utilization of assessment tools in various areas relevant to the practice of forensic psychology.
Trainer: Simone Viljoen Ph.D. and Jenna Tomei Ph.D.
- 07/14/17 **Using the Structured Assessment for Protective Factors for Violence Risk (SAPROF), Western State Hospital, Lakewood, WA**
Provided a half-day workshop on using the Structured Assessment for Protective Factors for Violence Risk (SAPROF) for The Postdoctoral Fellowship Committee seminar Series.
Trainer: Simone Viljoen Ph.D.
- 4/24/17 **Where are the Borders of Borderline Personality Disorder? Department of Corrections, Shelton, Washington.**
Provided a half-day workshop for mental health professionals working in the department of corrections on differential diagnostic issues of cluster B personality disorders, with a focus on gender bias.
Trainer: Simone Viljoen Ph.D.
- 05/04/16 **Crisis Intervention Training for Correctional Officers, Clark County Jail, Vancouver, WA**
Instructed on suicide Risk and Assessment with inmates and correctional staff.
Trainer: Simone Viljoen Ph.D. and Kelly Anderson MA
- 05/04/16 **Crisis Intervention Training for Correctional Officers, Clark County Jail,**

Vancouver, WA

Instructed on competency to stand trial and restoration procedures and legislature for Washington state.

Trainer: Simone Viljoen Ph.D. and Patricia Gribble Ph.D.

04/29/15 **Crisis Intervention Training for Field Officers, Public Safety Psychology Group LLC, Las Cruces, NM**

Instructed the sections on: How Drugs and Alcohol Affect People; Interventions Strategies for the CIT Officer; Anxiety Disorders and PTSD; and Destigmatizing Mental Illness and Psychotropic Medications.

Trainer: Simone Viljoen Ph.D.

- Viljoen, S.** (September, 2015). Assessing and managing inpatient aggression in civil and forensic psychiatric populations. Grand Rounds Presentation for New Mexico Behavioral Health Institute. Las Vegas, New Mexico.

- Viljoen, S.** (May, 2014). Using Strengths Based Measures to Assess and Manage Risk of Future Negative outcomes. Invited speaker, Grand Rounds Webinar Presentation for Indian Health Service, Albuquerque, New Mexico.
- Viljoen, S.** (March, 2012). Examining gender differences in the Short-Term Assessment of Risk and Treatability's ability to predictive successful/unsuccessful community reintegration. Presentation to the Simon Fraser University Psychology-Law Area Seminar, Burnaby, BC.
- Viljoen, S.** (March, 2011). Investigating neuropsychological, psychological and risk profiles of forensic psychiatric patients with a previous head injury. Presentation to the Simon Fraser University Psychology-Law Area Seminar, Burnaby, BC.
- Cooper, B. S., Ternes, M., Griesel, D., **Viljoen, S.** & Yuille, J. C. (2007, June). An examination of the credibility of Canadian offenders' accounts of instrumental and reactive homicides. Invited paper presented at the 30th International Congress on Law and Mental Health, Padua, Italy.

Paper Presentations

- Rodriguez, A. L., Marshall, K. K., **Viljoen, S.**, & Brovko, J. B. (2024, March) Ethical, Social, and Psycholegal Considerations in the Development, Assessment, and Use of the Term "Grooming." American Psychology-Law Society Annual Conference, Los Angeles, CA
- Marshall, K. K., Millspaugh, S. B., **Viljoen, S.**, & Brovko, J. B. (2023, August). Conducting trauma-informed and evidence-based mitigation and sentencing evaluations. Skill building session presented at the annual convention of the American Psychological Association, Washington, DC.
- Viljoen, S.**, Nicholls, T. L, Gagnon, N., Brink, J, Douglas, K. (2014, June). Examining gender differences in the Validity of the SAPROF in a Canadian civil psychiatric population. In M. de Vries Robbé (Chair) Protective factors for violence risk: findings with the SAPROF in international samples, theories about protection and development of the SAPROF-YV. Symposium presented at the 2014 International Association of Forensic Mental Health Services Conference, Toronto, ON, Canada
- Viljoen, S.**, Cook, A. N., Layden, B. K., Lim, Y. L., Bousfield, N. K, & Hart, S. D. (2014, June). Gender issues in the conceptualizations of psychopathic and borderline personality disorder: Implications for forensic assessment. Symposium presented to the annual meeting of the International Association of Forensic Mental Health Services (IAFMHS), Toronto, ON.
- Viljoen, S.**, Lim, Y., Cook, A. N., Layden, B. K., Bousfield, K., Hart, S. D. (2014, March) Where are the Borders of Borderline PD? Paper presented at the 2014 American Psychology-Law Society Annual Conference, New Orleans, LA.
- Layden, B. K., **Viljoen, S.**, Lim, Y., Cook, A. N., Bousfield, K., Hart, S. D. (2014, March) Developing a Conceptual Map of Borderline Personality Disorder. Paper presented at the 2014 American Psychology-Law Society Annual Conference, New Orleans, LA.
- Lim, Y., Cook, A. N., Layden, B. K., **Viljoen, S.**, Bousfield, K., Hart, S. D. (2014, March) Core Symptoms of Psychopathic PD: A Prototypicality Study. Paper presented at the 2014 American Psychology-Law Society Annual Conference, New Orleans, LA.
- Viljoen, S.**, Nicholls, T. L, Gagnon, N., Brink, J, Douglas, K. (2014, March) Examining the Validity of the SAPROF in a civil psychiatric population. Paper presented at the 2014 American Psychology-Law Society Annual Conference, New Orleans, LA.
- Viljoen, S.**, Cook, A. N., Van Dongen, J., Van Marle, H., & Hart, S. D. (2013, June). Culture, Gender and Psychopathy: Investigating the reliability and validity of TriPM and PPI. In J. Van Dongen (Chair) New Conceptualizations in Psychopathy: The Comprehensive Assessment of Psychopathic

- Personality (CAPP) and the Triarchic Psychopathy Model. Symposium presented at the 2013 International Association of Forensic Mental Health Services Conference, Maastricht, NL.
- Cook, A. N., Hart, S. D., Van Dongen, J., Van Marle, H., & **Viljoen, S.**, (2013, June). Evaluation of the validity of the TriPM and PPI using the CAPP as a concept map in Canadian and Dutch samples. In J. Van Dongen (Chair) *New Conceptualizations in Psychopathy: The Comprehensive Assessment of Psychopathic Personality (CAPP) and the Triarchic Psychopathy Model*. Symposium presented at the 2013 International Association of Forensic Mental Health Services Conference, Maastricht, NL.
- Viljoen, S.**, Cook, A. N., Layden, B. K., Murray, A. A., McGinnis, C. R., Hart, S. D. (2013, March). Psychopathy and gender: Examining validity of the PPI:SF and TriPM. Paper presented at the 2013 American Psychology-Law Society Annual Conference, Portland, OR.
- Cook, A. N., **Viljoen, S.**, Layden, B. K., Murray, A. A., McGinnis, C. R., Hart, S. D. (2013, March). Validity of the PPI:SF and the TriPM using the CAPP as a Concept Map. Paper presented at the 2013 American Psychology-Law Society Annual Conference, Portland, OR.
- Murray, A. A., Layden, B. K., Cook, A. N., **Viljoen, S.**, McGinnis, C. R., Hart, S. D. (2013, March). A psychometric evaluation of the Comprehensive Assessment of Psychopathic Personality (CAPP) model: Validating CAPP symptoms as lexical markers of psychopathy. Paper presented at the 2013 American Psychology-Law Society Annual Conference, Portland, OR.
- Greig, D., **Viljoen, S.**, Nicholls, T. L, Gagnon, N., Brink, J, Douglas, K., (2013, March). Serious Mental Illness and Adverse Outcomes in Tertiary Psychiatric Patients Transferred to Community Care: Comparing Self-Reports and Clinical Records. Paper presented at the 2013 American Psychology-Law Society Annual Conference, Portland, OR.
- Viljoen, S.**, Nicholls, T. L, Gagnon, N., Brink, J, Douglas, K. Introducing the Structured Assessment of Protective Factors (SAPROF) and its clinical use with Chronic Psychiatric Patients (2013, March). In T. L. Nicholls (Chair), *Innovations and advances in violence risk assessment: Presenting the DIARI, START, FAM, SAPROF, and MLG*. Symposium presentation at the 2013 meeting of the Pacific Forensic Psychiatry Conference, Vancouver, BC.
- Viljoen, S** & Cook, A. N. (2012, October). Working with the Structured Assessment of Protective Factors for violence risk (SAPROF), instrument for the assessment of protective factors in (forensic) clinical practice. Workshop for the Third International Conference on Violence in the Health Sector, Vancouver, BC.
- Cook, A. N., Layden, B. K., Murray, A. A., **Viljoen, S.**, McGinnis, C. R., Hart, S. D. (2012, August). A Comparison of Comprehensive Models of Psychopathic (CAPP) & Borderline Personality Disorder (CABP). Paper presentation at the 2012 American Psychological Association annual convention, Orlando, FL.
- Viljoen, S.**, Nicholls, T. L, Gagnon, N., Douglas, K., Brink, J. (2012, April). The PATHWAYS Study: Baseline and six-month follow-up data pertaining to adverse events. In T. L. Nicholls (Chair) "Is Deinstitutionalization Still a Dirty Word? Results from Three Large-Scale Studies." Symposium presentation at the 2012 International Association of Forensic Mental Health Services Annual Conference, Miami, FL, USA.
- Viljoen, S.**, Greaves, C., Nicholls, T. L., & Brink, J. (2012, March). Examining gender differences in the Short-Term Assessment of Risk and Treatability's ability to predictive successful/unsuccessful community reintegration. Paper presented at the 2012 American Psychology-Law Society Annual Conference, Puerto Rico.
- Viljoen, S.**, Nicholls, T. L, Gagnon, N., Douglas, K., Brink, J. (2012, March). Investigating risk profiles of Civic psychiatric patients with a history of head injury. Paper presented at the 2012 American

Psychology-Law Society Annual Conference, Puerto Rico.

- Viljoen, S.**, Nicholls, T. L., Gagnon, N., Douglas, K., Brink, J. (2012, March). Exploring negative outcomes in civil psychiatric patients transferred from tertiary care facility. In T.L. Nicholls (Chair) "The PATHWAYS Project - Evaluating the Transition of Psychiatric Services in British Columbia from Hospital to Community". Symposium paper presented at the 8th Annual Pacific Forensic Psychiatry Conference, Vancouver, BC, Canada.
- Viljoen, S.**, Launeanu, M., Hendry, M., Nicholls, T. L., & Brink, J. (2011, June). Validating the *Short-term Assessment of Risk and Treatability* in a forensic outpatient population. Symposium paper presented at the 2011 International Association of Forensic Mental Health Services Annual Conference, Barcelona, Spain.
- Greaves, C., **Viljoen, S.**, Nicholls, T., & Brink, J. (2011, June). Resilience Factors Related to Successful Community Reintegration among Forensic Psychiatric Patients. Paper presented at the 2011 International Association of Forensic Mental Health Services Annual Conference, Barcelona, Spain.
- Viljoen, S.**, Launeanu, M., Hendry, M., Nicholls, T. L., & Brink, J. (2011, March). Comparing ratings of subject matter experts and clinicians on the START in a forensic clinic. In T.L. Nicholls (Chair) "The Short-Term Assessment of Risk and Treatability (START): Research in Forensic, Civil Psychiatric and Adolescent Populations". Symposium presentation presented at the 7th Annual Pacific Forensic Psychiatry Conference, Vancouver, BC, Canada.
- Viljoen, S.**, Viljoen, H., Nicholls, T. L., & Brink, J. (2011, March). Investigating neuropsychological, psychological and risk profiles of forensic psychiatric patients with a previous head injury. Paper presented at the 4th International Congress on Psychology and Law, Miami, FL, USA.
- Viljoen, S.**, Nicholls, T., Greaves, C., & Brink, J. (2010, May). Gender comparison of resilience and community reintegration among forensic psychiatric patients: A preliminary study. Individual paper presented at the 2010 International Association of Forensic Mental Health Services Annual Conference, Vancouver, BC, Canada.
- Viljoen, S.**, Nicholls, T., Greaves, C., & Brink, J. (2010, March). Resilience and community reintegration among female forensic psychiatric patients: A preliminary study. Individual paper presented at the 2010 *American Psychology-Law Society Annual Conference*, Vancouver, BC, Canada.

Poster Presentations

- Cook, A. N., Layden, B. K., **Viljoen, S.**, Lim, Y. L., Bousfield, N. K., Thind, M., & Hart, S. D. (2014, June). Discriminant validity of the Comprehensive Assessment of Psychopathic Personality (CAPP). Poster presented to the annual meeting of the Canadian Psychological Association, Vancouver, BC.
- Lim, Y.L., Rochefort, S., Cook, A. N., **Viljoen, S.**, Layden, B. K., Murray, A. A., McGinnis, C. R., Hart, S. D. (2013, March). Reliability and Convergent Validity of the PPI:SF and TriPM in a Canadian Sample. Poster presented at the 2013 *American Psychology-Law Society Annual Conference*, Portland, OR.
- Viljoen, S.**, Nicholls, T., Greaves, C., & Brink, J. (2012, October). Validity and Reliability of the Short-Term Assessment of Risk and Treatability in Female Forensic Psychiatric Populations. Poster presented at the Third International Conference on Violence in the Health Sector, Vancouver, BC.
- Greaves, C., Nicholls, T., **Viljoen, S.**, & Brink, J. (2012, March). Resilience Factors Related to Successful Community Reintegration among Forensic Psychiatric Patients. Poster presented at the 2012 *Canadian Academy of Psychiatry and the Law Conference*, Whistler, BC.

- Viljoen, S.** (2011, September). Assessing utility of strengths in risk assessment. Poster presented at the 2011 Canadian Association of Threat Assessment Professionals conference, Banff, AB.
- Viljoen, S.,** Launeanu, M., Hendry, M., Nicholls, T. L., Brink, J. (2011, June). Investigating the Field Reliability of a Short-Term Assessment of Risk and Treatability Measure (START) in an Outpatient Forensic Clinic. Poster presented at Department of Psychiatry University of British Columbia 25th annual Research day, Vancouver, BC, Canada.
- Greaves, C., **Viljoen, S.,** Nicholls, T., & Brink, J. (2011, June). Resilience Factors Related to Successful Community Reintegration among Forensic Psychiatric Patients. Poster presented at Department of Psychiatry University of British Columbia 25th annual Research day, Vancouver, BC, Canada.
- Viljoen, S.,** Launeanu, M., Hendry, M., Nicholls, T. L., Brink, J. (2011, March). Comparing ratings of subject matter experts and clinicians on the START in a forensic clinic. Poster to be presented at the 4th International Congress on Psychology and Law, Miami, FL, USA.
- Viljoen, S.,** Nicholls, T., Greaves, C., Brink, J. (2010, June). Successful community reintegration among Female Forensic Psychiatric Patients. Poster presented at the Department of Psychiatry University of British Columbia 25th annual Research day, Vancouver, BC, Canada.
- Viljoen, S.,** Viljoen, H., Iverson G. I., Brink, J., & Nicholls, T. (2010, May). Neuropsychological profiles of forensic psychiatric patients with a history of traumatic brain injury. Poster presentation at the 2010 International Association of Forensic Mental Health Services Annual Conference, Vancouver, BC, Canada.
- Viljoen, S.,** Brink, J., & Nicholls, T. (2009, November). Psychological and risk profiles of Forensic Psychiatric Patients with a history of traumatic brain injury. Poster to be presented at the Mental Health Commission Canada's 2009 Into the Light Conference, Vancouver, BC, Canada.
- Viljoen, S.,** Brink, J., & Nicholls, T. (2009, June). Traumatic Brain Injury in a Forensic Psychiatric Sample. Poster presented at the Department of Psychiatry University of British Columbia 24th annual Research day, Vancouver, BC, Canada.
- Viljoen, S.,** Winters, J., & Gorzalka, B. (2007, March). Predictors of risky sexual behaviour: A cross-cultural comparison among women. Poster presented at the University of British Columbia Undergraduate conference, Vancouver BC, Canada.

Research Grants and Fellowships
--

- | | |
|-----------|---|
| 2012-2015 | Social Science and Humanities Research Council Joseph-Armand Bombardier Canada Doctoral Fellowship. |
| 2012 | Simon Fraser University Graduate Fellowship. |
| 2011 | Simon Fraser University Graduate Fellowship. |
| 2011 | American Psychology-Law Society Grant in Aid
Project Title: <i>Evaluating the Short-Term Assessment of Risk and Treatability in a forensic outpatient setting</i>
Role: Principal investigator |
| 2009 | American Psychology-Law Society Grant in Aid
Project Title: <i>Resilience and successful community reintegration among forensic psychiatric patients: A preliminary study</i>
Role: Principal investigator |

Awards and Scholarships

- 2012 **American Psychology and Law Society Student Travel Award**
Awarded to the top 10 student presentations
- 2010 **American Psychology and Law Society Student Travel Award**
Awarded to the top 10 student presentations
- 2007-2009 **Maastricht University High Potential Scholarship**
Awarded to the top 5% of international graduate students entering a 2-year master program at Maastricht University

Selected Trainings Attended

- 03/2019 **Assessing Psychological Injury: Empirical Methods & Common Pitfalls**
Half day training on evaluation methods for psychological injury.
Trainer: William Koch, PhD, ABPP
- 03/2019 **Hidden in the System: Screening, Identification and Assessment of Special Populations in the Juvenile and Adult Justice System**
Half day training on increasing evaluator awareness for mental health conditions in both juvenile and adult justice populations that go overlooked, such as TBI, FASD, Autism, and Sexual Paraphilias.
Trainer: Stefanie Varga, PhD, LP, and Rebecca Jorgensen, PsyD, LP
- 05/2018 **Intensive Certificate Course on Dialectical Behavior Therapy**
Four-day training on Dialectical Behavior Therapy
Trainer: Lane Pederson, Psy.D.
- 05/2018 **DBT Skills Training for Children and Adolescents**
One day training on Dialectical Behavior Therapy for Children and Adolescents
Trainer: Jean Eich, Psy.D.
- 08/2017 **Suicide Risk Assessment Training**
Six-hour training on best-practices in suicide risk assessment, screening, management, and treatment.
Trainer: David Luxton, Ph.D.
- 08/2017 **Forensic Competency Evaluation Best Practices and Reporting Standards**
Full day training on best practices and report writing standards related to the evaluation of competence to stand trial.
Trainer: Michelle Guyton, Ph.D. & Steven Golding, Ph.D.
- 03/2017 **Reducing Bias in Pursuit of More Objective and Accurate Forensic Evaluations**
Half day training on adversarial allegiance and strategies for minimizing bias in forensic evaluations.
Trainer: Daniel Murrie, Ph.D. & Tess Neal, Ph.D.
- 01/2017 **Historical Clinical Risk 20 Version 3 (HCR-20V3) and Short-Term Assessment of Risk and Treatability (START) Training**
Three-day training on the HCR-20V3 and START
Trainer: Stephen Hart, Ph.D.
- 03/2015 **Best Practices in the Evaluation of Competence to Stand Trial**
10-week online Course with weekly hour-long consultation sessions on best practices in the evaluations of competence to stand trial.
Trainer: Patricia Zapf, Ph.D.
- 01/2015 **Psychopathy Checklist Revised (PCL-R) and Psychopathy Checklist Screening Version (PCL-SV) Master Course**

- 30-Hour webinar training on the assessment of psychopathy with the PCL-R & PCL-SV
Trainer: Stephen Hart, Ph.D.
- 11/2014 **Historical Clinical Risk 20 (HCR-20) Version 3**
Half day webinar training on the third version of the HCR-20
Trainer: Kevin Douglas, Ph.D.
- 10/2014 **MRI Image Acquisition and Analysis Course, Albuquerque, NM**
3 full-day training on fMRI data collection and analysis
Trainers: Kent Kiehl, PhD, Vince Calhoun, Phd, & Tor Wager, PhD
- 10/2013 **Beginning Motivational Interviewing, Albuquerque VA**
2 half-days training on basics of motivational interviewing
Trainers: Annette Brooks, PhD & Brian Kersh, PhD
- 09/2013 **Prolonged Exposure Therapy, Albuquerque VA**
3 half-days of an introduction to PE
Trainer: Diane Castillo, PhD
- 06/2013 **Cognitive Processing Therapy, Albuquerque VA**
3 full-day training with one-hour consultation weekly for 10 weeks
Trainer: Lauren F. Williams, PhD
- 03/2013 **Assessment and management of group-based violence: the Multi-level Guidelines (MLG), Vancouver, BC**
Trainers: Alana Cook, MS & Stephen D. Hart, Ph.D.
- 11/2011 **Elder Abuse Risk Assessment Guidelines (EARA), Vancouver, BC**
2 full-day training on a risk assessment measure for elder abuse
Trainers: Jenifer E. Storey, M.A. and Stephen D. Hart, Ph.D.
- 06/2011 **Connect Group Leader Training, Maple Ridge, BC**
Week long training on attachment focused treatment group for parents and caregivers of at-risk youth
Trainers: Marlene M. Moretti, Ph.D. and Karla Barber, M.A.
- 03/2011 **Comprehensive Assessment of Psychopathic Personality (CAPP) Workshop**
Trainers: Stephen D. Hart, Ph.D and David Cooke, Ph.D.
- 06/2010 **Structured Assessment for Protective Factors for Violence Risk (SAPROF)**
Trainers: Vivien de Vogel, Ph.D. and Michiel de Vries Robbé, M.Sc.
- 09/2009 **Psychopathy Checklist Revised (PCL-R) Training workshop**
Trainer: Robert Hare, Ph.D.
- 06/2009 **Historical Clinical Risk 20 (HCR-20) Training workshop**
Trainer: Kevin Douglas, Ph.D.
- 04/2009 **Short-Term Assessment of Risk and Treatability (START) workshop**
Trainers: Tonia Nicholls, Ph.D. and Johann Brink, MB ChB FRCPC
